# The Kitten and the Christmas Miracle

Shelter

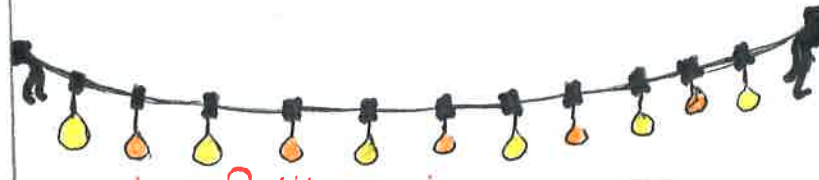

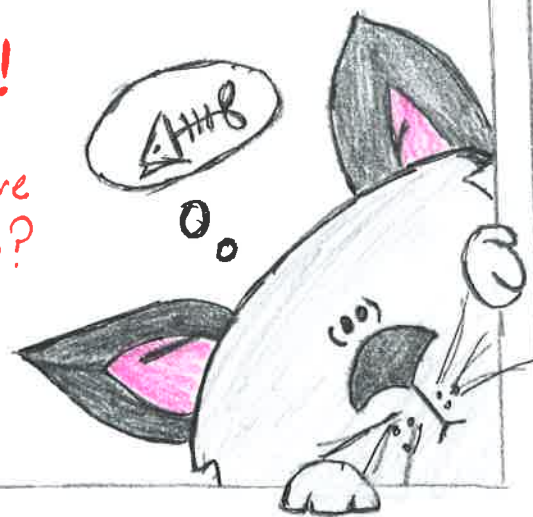

I can't stay here...  
there must be a better life

waiting for me  
out there!

I'm free!  
But where  
should I go?

A phone? It's a nice  
gift... but I wished  
for a kitten...

I wish  
I had  
a cat...

6

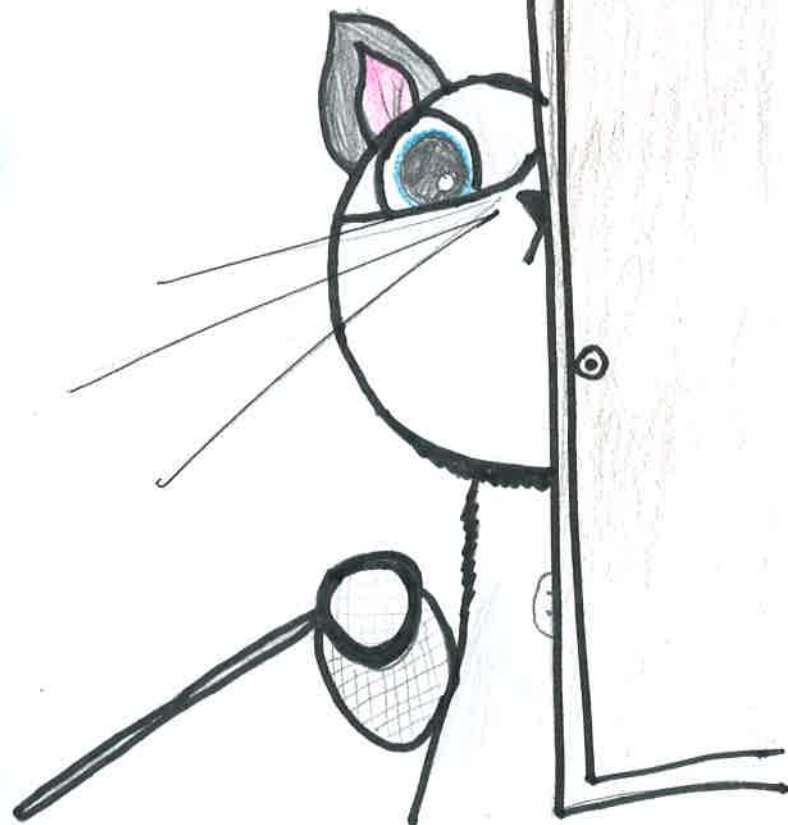

Hey, you!  
Where did  
you come from?

She's so kind....

7

Stray cats like this  
belong in the shelter!

8

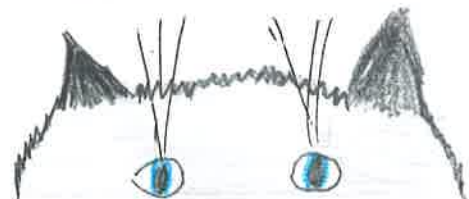

This kitten is not going to the shelter, I would like to adopt it.
